"Really held my interest and I read it in 2 nights because I couldn't put it down."

"I liked the book so much that I stayed up all night to finish it. It was the first book by you both that I have read but I will be buying more."

"I really liked this book, never read anything like it before. It was an interesting, suspenseful horror story... I highly recommend this book. It was disturbing without being too graphic, a good read."

"I thoroughly enjoyed every page, the story, characterisation (even the characters we meet just for a few seconds, e.g. the woman with the big old dog, were realistic and added something), the suspense was frequently intense and left me in your world, the idea was really ingenious and I was left in constant surprise. Brilliant! 10/10. Looking forward to the next novels."

"I've read Demon Eyes and enjoyed the hell out of it! It was excellent – It was note-perfect. Held me glued down to the last page and then I wanted more. A sequel is definitely in order...You guys do atmosphere AND grue quite well!"

"The story was exciting, interesting and fast-paced."

"Read Demon Eyes over the Christmas holiday. I really enjoyed it and am looking forward to the next one. Must admit it is my kind of story and I was really impressed with how well written the book was. Well done for an interesting read which meant I didn't speak to (my husband) for three days!!!!"

"...to let you know how much I am enjoying Demon Eyes. Almost every page makes you want to continue reading to see what is going to happen next...and the tension is palpable as to what lies ahead. Based on this book, I'll have to pick up a copy of 'Shelter' after I'm finished. Keep up the great work!!"
